ISD Community Outreach

VIC extends thanks to K - 5 Supervising Teacher Laurene Gallimore and Student Transition Coordinator Diana Battiste for representing ISD at *Brook Park Elementary School* in Lawrence Township on Monday October 11. Home School Advisor Keith Marsh contacted VIC to set up a program for the Brook Park students. This was the first step in introducing them to ISD and the Deaf Community. Mr. Marsh looks forward to more opportunities for ISD and Brook Park students to interact and learn from each other.

VIC and FSS worked together recently to coordinate two visits to *St. Francis Hospital's Family Resident Program* in Beech Grove. The first visit on Friday, October 15, was to share information about ISD and Deaf culture. The group was very receptive to ISD staffers during the hour presentation and Dr. Don Fleener invited VIC and FSS to stay a little longer during the next visit on October 29. The second visit will allow time for more discussion related to identity, language and culture, especially as they relate to cochlear implants. Those representing ISD for the St. Francis Hospital visits are:

Cindy Lawrence, Louise Fitzpatrick, Bruce Peters, David Geeslin, David Reynolds, and Kathy Smith.

Thought for the Week:

"To believe in something not yet proved and to underwrite it with our lives: it is the only way we can leave the future open."

Lillian Smith
